

College of Medicine and Healing Arts

6th April 2022

Thank you for your valued enquiry,

The revival of **Tibb: Whole-Person Healthcare & Medicine** (also known as **Unani medicine**) is growing **worldwide** because of people **like yourself** seeking out this **wisdom-based** tradition. We congratulate you for seeking to **empower yourself**.

The **unhealthy lifestyle** that most people lead causes **poor health, poverty and frustration**. Healthcare is in **crisis**. **Chronic diseases** are causing **millions of deaths yearly**, as well as **sabotaging quality of life** for hundreds of millions more.

From the **Tibb** perspective, true health is the result of **human beings** living in a state of **wholeness and balance** by returning to the **natural order**. This is what we help our **learners do for themselves** as well as their **future patients and clients**.

We have spent **40 years** of dedicated service to our **living tradition**. The College offers **online and in-person programmes** in an effort to make this tradition **accessible** to as many people as possible **around the world**.

The **authentic knowledge and training** we provide is **desperately needed** in our times. This work is **continually growing**, with our many **students**, graduates, friends and **supporters**.

We'd like to offer you the opportunity to join the **College**, to benefit from the **valuable opportunities** offered. Please **find attached** some information which will help you **start your journey** with us. **We look forward to your enrolment**.

Yours Sincerely,

M Salim Khan, M.D. (M.A.) M.H. D.O.

Principal of the College of Medicine and Healing Arts.

Reg. Office 446 East Park Road, Leicester, LE5 5HH, England (UK) [Not for Profit Company No.: 7677972]
